Welcome to the Mountain Libertarian Wiki (WLM). This is a shared Wiki in which several libertarian or closely related organisations participate. It is a wiki, you can also contribute individually or on behalf of an organisation. Geographically, we are located in the Jura Mountains of the cantons of Neuchâtel, Bern and Jura in Switzerland. However, nothing is set in stone. This Wiki is open to all and we would be happy to welcome other organisations.

ATTENTION, these translations are not always of very good quality. Do not hesitate to register on this site to correct texts and to create content.
